Keeping Help and Hope In Mind

If your loved one has Alzheimer's or another dementia
We can help you both, even in absentia
We address all levels of cognitive decline
Giving care to the caregiver who's on the front line
Our programs and services are the best anywhere
We can be there for you - even from here
Get support by phone as we shelter in place
Whether it's in a group or case by case
Those who know our mighty team
Applaud our passion and endless steam
We're creative, kind, resourceful and smart
And all of our efforts are driven by heart!
