**Alzheimer's Disease Resource Center, Inc. Concludes  
2014 Speaker Series with "Project Far From Home"**

(Bay Shore, NY)— On Saturday, November 8, [Alzheimer's Disease Resource Center, Inc.](#) (ADRC) will present the last of its Speaker Series engagements for 2014. "Project Far From Home: Using Rescue Dogs to Address Wandering and At-Risk Behaviors for Persons with Alzheimer's" will take place from 2 p.m. to 4 p.m. at the Alzheimer's Disease Resource Center, located at 45 Park Avenue in Bay Shore.

Kimberly R. Kelly, Reserve Lieutenant (Ret.), 1<sup>st</sup> Special Response Group Commander and Director, National Association of Search & Rescue, will present the event. Ms. Kelly will be providing guests with vital information about community issues surrounding Alzheimer's disease. She will also discuss missing persons with cognitive loss, search protocols, dog rescue best practices, and the overall impact on the person, their family, and society.

"We are excited to have Lt. Kelly be a part of the final presentation of our Speaker Series," says Mary Ann Malack-Ragona, Executive Director/CEO, Alzheimer's Disease Resource Center, Inc. "These informational sessions have provided more support for those who care for those suffering from Alzheimer's Disease. They need as much support and information as possible, due to the increase in the senior citizen population in years to come."

For more information about services provided by the ADRC, please contact Mary Ann Malack-Ragona at (631) 580-5100 or visit [www.adrcinc.org](http://www.adrcinc.org).

###

[Alzheimer's Disease Resource Center, Inc.](#) — which is headquartered in Bay Shore and has a satellite office in Southampton — is the only local Alzheimer's Disease advocacy and educational facility whose mission is to provide hands-on support and services to families on Long Island and the New York metropolitan area. ADRC works with family members, health care professionals and researchers to ensure quality health care and support to those impacted by Alzheimer's Disease through care and consultation, information and referral, training, support groups, and caregiver safety products.
